

# The Trent Hills Economic Development Summit

Business Development through Technology  
and Innovation

Meyers Transportation Services

# Technology in Business

- **Everything that can be invented has been invented.** – Charles H. Duell, Commissioner, U.S. Office of Patents, 1899
- **I think there is a world market for maybe five computers.** – IBM Chairman Thomas Watson, 1943
- **Computers in the future may have only 1,000 vacuum tubes and perhaps only weigh 1 1/2 tons.** – Popular Mechanics, 1949
- **640K ought to be enough for anybody.** – Microsoft Chairman Bill Gates, 1981

**SAFETY**

# Collision Avoidance

# Stability Control

# Customer Service

- *Being on par in terms of price and quality only gets you into the game.*

*Service wins the game.*

TONY ALESSANDRA

- *In business you get what you want by giving other people what they want.*

ALICE MACDOUGALL

**2011 Holiday Schedule**  
24/09/2011

With the holiday season quickly approaching, we are including our holiday schedule for operations below. Our goal is to ensure that all of your service requirements are met through the Holiday Season. As we continue "On the road to Green" we also want to operate as effectively as possible in order to minimize our overall environmental impact while also controlling costs for our customers.
