

The Municipality of Trent Hills Notice of Public Information Center

Watermain Replacement – Tanner Rd, Ibey Crt, Gair St, Parkview Blvd

The Municipality of Trent Hills is currently planning upgrades to the drinking water system for the subdivision off Trent Drive. The Municipality has identified that the current watermain infrastructure serving the community requires substantial refurbishment and no longer meets the needs of the drinking water system. The reconstruction of infrastructure in this area will include new watermain and services, fire hydrant replacement as well as improvements to the sanitary system, storm system and complete road reconstruction.

The Municipality is conducting a public information center on **Wednesday, May 8, 2024 from 5:00 pm to 7:00 pm**. This will be held at the **Emergency Services Base**, located at **50 Doxsee Avenue, 2nd Floor (Council Chambers) Campbellford**. We are interested in hearing any comments or concerns that you may have about this project. Parties interested in providing input or that wish to obtain additional information at this stage of the study are asked to submit comments in writing to:
