To Fill a New Position
The Municipality of Trent Hills
Invites Applications for the Position of
Information Technology Coordinator

Trent Hills is a vibrant and growing community with a population of 13,000 that is located on the Trent Severn Waterway amongst the rolling hills of Northumberland County.

Reporting to the Director of Legislative Services/Clerk, the Information Technology Coordinator shall provide broad-based technical and analytical support for computer hardware, software and network connectivity along with other peripheral equipment including telecommunication systems, equipment and website maintenance. The Information Technology Coordinator also provides information technology security and technological information to all departments, Council and the public.

Preference will be given to candidates who possess a University degree or a 3-year College diploma in the Information Technology field and have a minimum three (3) to five (5) years progressive experience. As well, the candidate requires extensive knowledge of various hardware, networking and software platforms to provide consultative and technical information technology support and advice.

Please visit www.trenthills.ca website for the complete Information Technology Coordinator job description.

The salary range for this **new position** is \$69,369 - \$81,152 together with a generous benefit package.

Resumes will be received until **2:00 p.m. on Monday, March 23, 2020**. Please send resumes marked "Information Technology Coordinator Competition – Confidential" to the following address:
