Updated November 16<sup>th</sup> 2020

All Tennis players MUST have an online account with Trent Hills (with or without a membership) for contact tracing and booking purposes

Tennis will be booked online only.

All Tennis bookings will become available online Monday mornings at 9am two weeks prior to the week of booking.

One member per Tennis group will be responsible for booking the tennis time online and informing the group of the booking and facility rules stated in our Standard Operating Procedure (SOP).

We ask that each Tennis group book only one time per week on the first day of booking availability. After Monday each court time will then be first-come-first-served.

Tennis fees will be paid for upon arrival to the facility while checking in and must be paid prior to using the court.

Court fees are \$2.50/hr for members and \$10/hr for non-members.

All Tennis players must wear a mask at ALL TIMES inside the facility, including and not limited to during game-play.
