Take Notice that the Council for the Municipality of Trent Hills has received a complete application to consider a proposed Zoning By-Law Amendment to amend the Municipality of Trent Hills Zoning By-law 2010-105, under Section 34 of The Planning Act, R.S.O. 1990, C. p. 13.

Description of the Proposal:

Subsequent to Severance Consent Application B23/2025, the purpose and effect of the proposed Zoning By-law Amendment C14/2025 is to recognize the recreation of two (2) parcels that have merged in title. The proposed severed parcel, being approximately 2.18 hectares (5.39 acres) is vacant land (contains an outbuilding / shed). The proposed retained portion, being approximately 1.50 hectares (3.72 acres), contains an existing residential dwelling and outbuildings. The current zoning of the subject lands is the Agricultural (A), Rural (RU) and Low-Density Residential (R1) Zones.

The proposed zoning for the severed portion, being approximately 2.18 hectares (5.39 acres) of vacant land (contains an outbuilding / shed) will be entirely the Low-Density Residential (R1) Zone. The Low-Density Residential (R1) Zone is the correct zone to be eligible for a residential building permit.

The proposed zoning for the retained portion, being approximately 1.50 hectares (3.72 acres), containing the existing residential dwelling and outbuildings, will also be entirely the Low-Density Residential (R1) Zone, which is the correct zone for the subject property.
