Pre-Authorized Plan Information

Property Taxes-Monthly Plan

This Plan is twelve monthly withdrawals on the 30th of each month, January to December of each year. The exception to the 30th of each month is February and this withdrawal will occur on the 28th of February, each year.

The Municipality of Trent Hills will issue two Pre-Authorized Budget Plan letters throughout the year indicating the monthly payment amount.

Additional property taxes resulting from supplementary/omitted* assessments will **not** be automatically added to your monthly plan. These amounts must be paid separately. Alternatively, call the Tax Office if you wish to add the additional taxes to your Monthly Plan amount.

Property Taxes-Instalment (Due Date) Plan

The Municipality of Trent Hills will mail Interim and Final Tax Notices showing each instalment amount that will be withdrawn from your bank account on the original date the four instalments are due.

Additional property taxes resulting from supplementary/omitted* assessments **will be** automatically added to your Due Date Plan and withdrawn from your account on the supplementary/omitted Tax Notice Due Dates.

Water & Sewer-Instalment (Due Date) Plan

The Municipality of Trent Hills will mail Water & Sewer bills showing amount due that will be withdrawn from your bank account on the billing due date.

* Supplementary/Omitted assessments result in tax bills generated by the Municipality after notification from MPAC that your property's assessed value or classification changed because of improvements to your property or a change in its use. These tax bills are in addition to any other tax bills that have been issued.

Reductions to property taxes payable as a result of assessment changes will be reflected in the balance of all scheduled payments as indicated on the notification received when the change is processed by the Tax Office.
